Migrating to America: Transnational Social Networks and Regional Identity among Turkish Migrants (International Library of Migration Studies)

The thing that really hurts is the belated discovery after I picked up this book at the library because it was the only Weber book on the shelf, when I was looking for the third book in the Armageddon Reef series that this is in fact the tenth volume in the Honor Harrington series--which means, of course, that I either must buy the preceding nine books [yes, it is that well written:] or else order them one at a time through the interlibrary loan. The one thing that did remain the same was the border pi They constitute the Divine Trinity, consisting of three distinct persons working in unity.
