Source: WorldCat Libraries. At the age of 12, he had his own library collection of 25 books, even though books were really expensive during that time.

## **Created For His Greatness**

Whom shall I meet, where shall I go. The story demonstrates the managerial dilemma facing the War Production Board: there was no way the board could really manage the whole war production effort let alone the whole economy because, first, there was no way the board and its staff could understand all the details of what was going on, and, second, there were few legal, established means both to compensate fairly a firm like Bantam and to free the Army to rationalize its war production by limiting the number of producers of specific pieces of equipment.
