You also list among our many features, our outdoor heated pool in winter, something that is almost unique on the Costa del Sol. It is the major constituent of all living matter, amounting to between 50 and 90 per cent of the weight of any living organism: newborn babies are almost 90 per cent water; adult human beings are roughly three quarters water; as venerable wrinklies we are still more than half water. And we're still waiting for Muhammad.
